

Intersect Studio is looking for:

Experiential Graphic Designer, Visual Storyteller & Brand Expressionist

Creative Graphic designer passionate about creating great places for people, eager to be an integral part of the growth and success of a passionate design firm.

Who we are:

Intersect Studio is an integrated, experience-focused design firm specializing in strategy, architecture, planning & interior design. We are committed to designing inspiring places for people to be great. Our passion is creating places highly designed for experience that people love through a fun and engaging design process. Every project we create is enhanced by infusing our client's story through experiential graphics, & brand.

This position could be for you if:

- You have a passion to not just live in the world but to make it better for everyone.
- You have the ability to translate ideas and constraints into executable design solutions.
- You are motivated by high expectations & have a deadline and detail-oriented work ethic.
- You have an understanding of branding concepts and their integration into the built environment.
- You love inspiring people & thrive on collaborative design efforts, working towards specific goals, taking on challenges and finding creative solutions.
- You possess a bachelor degree in Graphics, Interior Design, Architecture or Industrial Design.
- You are proficient in Adobe Creative Cloud programs (especially Illustrator). Knowledge of Sketch-Up, CAD, 3D visualization programs, HTML/web knowledge is a plus.
- You can visualize 3d environments.

What you can expect at Intersect:

Graphic Design position is responsible for actively participating in the design, development and production of environmental/experiential graphics. This includes collaborating closely with design teams, providing design options, and ultimately execute detail print ready files & coordinating with fabricator and installer.

Experiential Graphics:

Brand development: translate client culture, story & goals into visual brand.

Experiential Branding: Architectural Brand standards, Architectural/Visual Graphics, Custom Artwork, Signage & Wayfinding, Feature walls, Vinyl graphics, Placemaking & Identity, Branded Environments, Story, etc.

General Brand Development

Logo development, print stationary packages, marketing & display materials, presentation/marketing boards

Our studio works hard to maintain a positive culture that celebrates successes and encourages one another towards continuous self improvement.

Considering both full time & part time positions

Considering a variety of experience levels.

Competitive wages & benefits

A team to grow with!
