ARCHITECTURAL INTER,  
JOIN OUR TEAM!

### **Intersect Studio is looking for:**

A creatively inspired architectural intern who is wide-eyed about learning how to create great places for people and is ready to jump in and support the team. This potential cohort is passionate, hard working, focused, and eager to learn.

### **Who we are:**

Intersect Studio is a Design, Architecture, Planning & Graphics firm located in a beautiful studio in downtown Kalamazoo. We are dedicated to Happy, Healthy & Connected people and being amongst the best places to work! We believe people's lifestyles improve when their places are specifically designed for human experience. Our Studio is a highly collaborative and supportive environment. We carefully protect and nurture our culture to breed encouragement and competence in order to exceed expectations on exciting and sometimes demanding architectural & design projects.

### **This position could be for you if:**

- Passion is driving you to want to change the world.
- You already know how to use technology and are interested to continue to learn how technology tools can amplify communication.
- You thrive on creative collaboration, working towards specific goals, taking on challenges and finding creative solutions.
- You love organization, coordination and attention to detail.
- You enjoy sketching details and design concepts by hand although you can also work with AutoCAD, Sketchup, Adobe Creative Suites, Ray, and Keynote/Powerpoint.
- Your tasks might consist of construction documents, researching new and exciting design features, schematic design concepts, architectural library organization and acquiring samples
- You are enrolled in a Bachelor or Masters Architectural degree program

### **What you can expect at Intersect:**

We are focused on aligning our cohorts' passions and skill sets with the needs of our clients. You will be working closely with team leaders while collaborating on all phases of architecture and planning. You will be an integral support member who will be exposed to a multitude of tasks to help make the team and projects successful. We will mentor you in our point of view about how we approach the world of design and you will have the opportunity to help direct the future.

Part-time

Workstyle: As flexible as possible to balance with your lifestyle within the context of a team. Located in Downtown Kalamazoo
