

WE'RE HIRING

architectural design intern

Intersect is seeking a creatively inspired architectural part-time intern who is ambitious and ready to learn about how to create places for people to be great and is equipped with the tools to jump in and help our team.

A little bit about Intersect

Intersect Studio is an experience-based strategy, architecture, design and branding firm with studios in downtown Kalamazoo and Grand Rapids, MI.

We are dedicated to Happy, Healthy and Connected people and being amongst the best places to work.

Our studio is a highly collaborative and supportive environment. We carefully protect and nurture our culture to breed encouragement and competence in order to exceed expectations on exciting—and often demanding—architectural and design projects.

We're always looking for the best

If that's you, email connect@intersect-studio.com with the subject "Architectural Design Intern" and tell us why you rock: what you've learned, how you live for today and what you want for the future.

This position could be for you if you:

- Generally love people and want to celebrate their stories using design as an engaging tool.
- You are enrolled in a Bachelor or Masters Architectural degree program
- Have a passion to not just live in the world but to make it better and teach others why it matters.
- Already know how to use technology and are interested to continue to learn how tools can amplify communication.
- Are patient to understand but eager to achieve.
- Love organization, coordination and attention to detail.
- Thrive in a passionately creative and highly collaborative open environment.

What you can expect at Intersect:

- Use of design tools such as AutoCAD, Archicad, SketchUp, Adobe Creative Suite, Enscape
- Design documentation from conceptual design through Construction Documents and Construction Administration phases
- Opportunities for growth in individual professional development
- We will mentor you in our point of view about how we approach the world of design and you will have the opportunity to help direct the future. We partner with our team so we can all achieve success
