

Intersect Studio is seeking a technically inspired, passionate, hard working & focused Architectural Designer to join our team!

Who we are:

Intersect Studio is a Design, Architecture, Planning & Graphics firm focused on creating great experiences and helping people live more fulfilled lives through our work. We are dedicated to a process which results in Happy, Healthy & more Connected people and being amongst the best places to work! Our Studio is a highly collaborative, supportive and creative culture. We breed encouragement and competence in order to exceed expectations on exciting and inspired architectural & design projects. We endeavor to propel our clients to achieve more than they thought possible. We expect that our client engagement experience we provide is as memorable and the places we create for them.

What we do: Calibrated design experiences.

Clients: Those that want to make a positive difference for people:

Workplace, Hospitality/Retail, Financial, Multi-Family, Higher-ed, Community, etc.

Why we do it: Meaningful design empowers people to live more fulfilled lives.

How we do it: Intersect's core values are the building blocks that guide us in all that we do.
Optimistic Attitude - Remarkable Hospitality - Compassionate Confidence - Edgy Dreamers - Stronger Together

Your Role:

As an **Architectural Designer** at Intersect, you will Collaborate on & support small to large firm projects of various types with tasks ranging from concept through construction completion.

- Production of project deliverables & documentation while maintaining project schedule.
- Learning, utilizing & implementing the Intersect design process within all phases of design.
- Work closely with designers, experiential designers, fellow architects, vendors and constructors.
- Contribute to and support the team.
- Share knowledge and experiences with the team and help others with architectural detailing
- Help to develop standards and drive efficiency into firm practices and procedures.
- Research, follow & share industry changes, evolutions and best practices.
- Foster a happy, healthy and connected team culture of collaboration and positively impact the firm. You are joining a group of people who are highly dedicated to each other. We are excited to help you identify ways to use your talents for the betterment of all.
- Support and advance the mission of the firm, empowering people to live more fulfilled lives through calibrated design experiences.
- Learn, live and promote the Intersect Values, as this is how we roll in all matters.

What will make you successful:

Your Qualifications and Strengths would include the majority of these

- Advanced degree in Architecture or Design preferred, with a rigorous design education
- 1-5 years including demonstrated experience on architectural projects including interior architecture and exterior detailing
- BIM proficiency - ArchiCAD or Revit
- Knowledge and application of Building Codes
- A strong design sensibility which leads to the enhancement of design through technical innovation and processes
- Technical skills and experience in Construction Document Preparation
- Applicable knowledge of industry standards & resources
- Collaborative, team-conscious, and detail oriented

What you can expect at Intersect:

Our Cohorts are collaborative, creative & professional. Joining our team requires skill, daring leadership, teaming, an optimistic attitude, a love of design & people.

We are focused on aligning our cohorts' passions and skill sets with the needs of our clients; and ditto in reverse. You will help challenge the team to grow and achieve more each day as they learn and develop. You will bring passion to the pursuit of utilizing design as a powerful tool to celebrate stories for those we engage with. We will mentor you in our point of view about how we approach the world of design and you will have the opportunity to help direct the future. We partner with our team so we can all achieve success!

Compensation / Benefits:

Competitive wages, PTO (Vacation & Holiday), Health/Life/Dental Insurance, 401K w/ company match, Childcare benefit, professional license support, professional development support, fun perks, intentional work culture!

Schedule: Full Time (32-40+ hours) apply
