

Interior Designers : 1-7 years experience
Grand Rapids or Kalamazoo, Michigan

Intersect Studio is seeking thoughtful, creative and motivated Interior Designers to join our growing team. This role is ideal for someone who loves design, enjoys collaborating with others, and believes that environments have the power to shape how people feel, connect and live.

Who we are:

Intersect Studio exists to amplify human experiences through meaningful process and design. We are a multidisciplinary design studio working across interior design, architecture and experiential branding to create places where people feel happy, healthy and connected.

Our work spans workplace, hospitality, retail, financial institutions, multifamily, higher education and community environments. While the project types vary, our purpose remains the same. We design environments that help people and organizations thrive.

Our studio culture is highly collaborative and rooted in curiosity, encouragement and creative exploration. We believe the best ideas come from teams that support one another, challenge each other and celebrate great work together. At Intersect, design is not just about creating beautiful spaces. It is about understanding people, telling meaningful stories and creating experiences that matter.

Our Core Values:

The way we work together matters as much as the work itself.

Our team lives these values every day:

- Optimistic Attitude
- Remarkable Hospitality
- Compassionate Confidence
- Edgy Dreaming
- Stronger Together

Your Role:

As an **Interior Designer at Intersect Studio** you will contribute to a variety of project types and sizes, through all phases of Design, from concept development to implementation. You will be working collaboratively with our team of Project Managers, Architects, Designers within the studio on client projects as well as internal projects to contribute to the growth & advancement of the organization.

- Collaborate with our design and architecture teams on projects from concept through completion.
- Participate in design exploration including space planning, material concepts and experiential ideas.
- Develop 3D models, visualizations and presentation materials that communicate design intent.

- Prepare interior design documentation including finish plans, specifications and coordination with project teams.
- Research and select furniture, finishes and materials that align with project goals.
- Participate in client meetings and presentations.
- Contribute ideas that strengthen the design, experience and story of each project.
- Support the continued growth and culture of the studio through collaboration and positive team engagement.

What will make you successful: Required Skills / Abilities / Qualifications

- Bachelor Degree or higher in Interior Design (CIDA accredited)
- 1-7 years professional commercial design experience preferably with a focus on workplace/hospitality design/higher-education/multifamily
- Experience in interior design documentation & organization
- Knowledge of furniture, finishes, materials, color selections, and specifications
- Strong verbal and written communication and collaboration skills
- Graphics and visualization skills to effectively communicate design ideas
- Proficiency with design software such as SketchUp, ArchiCAD or Revit and visualization tools including Adobe Creative Suite or similar programs.
- Proactive, Positive, can-do attitude, committed to growth & learning.

What you can expect at Intersect:

A supportive, collaborative and creative studio culture.
Meaningful project opportunities across multiple industries.
Mentorship and opportunities to grow as a designer.
Professional development support including licensure and continuing education.
A team that genuinely enjoys working together and celebrating great work.

Competitive compensation based on experience & skills

Benefits include: PTO and holidays, health, dental and life insurance, 401k with company match, childcare benefit, professional license support and additional studio perks.
